Dedications

It's with the most heartfelt gratitude, respect, and honor that the Yearbook Staff and the Senior Class of 2016 dedicate this year's Yearbook to the outstanding educators Michael Bird and Peter Wallett.

Combined, you've given us 70+ years of service here at Mill River Union High School.

If you needed anything at Mill River, you could go see either of these gentlemen. Their kindness was always overflowing; their guidance and love for teaching was always evidendant.

A sense a humor, a well placed pun, genuine smile, an ear to listen; you've changed and shaped so many over your time in the Mill River community.

Congratulations on your retirement!
